NEW YORK COUNTY)

NELSON J. LASSALLE, being duly sworn, under penalty of perjury hereby deposes and says:

1. I am a licensed private investigator. I was hired by the Office of the Appellate Defender in connection with the above-referenced case.

2. On March 2, 2012, I contacted Esco Blaylock by telephone. I identified myself to Mr. Blaylock as a private investigator working on Mr. Jimenez's behalf and told him that I wanted to speak to him about the shooting at the Whitestone Movie Theater in 1989. I made clear to Mr. Blaylock that I was not affiliated with the police department.

3. I asked Mr. Blaylock several questions about the identification procedures conducted by the police. With respect to the 2006 identification procedure, Mr. Blaylock said that he was forced "by law" to cooperate because he

was a TSA employee at the time and it was “Homeland Security rules.” He first reported that the police put a “whole bunch of photos” on a table and asked him if anyone looked familiar. He said that he looked through the photos several times, selected a photo and said “that’s the person.” Later in our conversation, Mr. Blaylock indicated that he was shown multiple photo arrays – three or four – and that the picture of the person he ultimately identified was included in each array. He compared the process to the game “Where’s Waldo?”.

4. Mr. Blaylock remembered a girl named Sharon Ramroop, who he knew in 1989. He said he and Sharon went to school together, although he could not recall which one. With respect to the identification made by Mr. Blaylock in 1989, I asked him if Sharon was present when he was brought to the precinct to make a photo identification in 1989. He said that she was not present with him when he made his identification in 1989.

5. Mr. Blaylock said that he did not know “Leon” personally. He said that people in the neighborhood told him the man’s name was Leon. When asked to give a description of the man he knew as Leon back in 1989, Mr. Blaylock did not answer. He said that he had to think. He did not respond when I asked him if Leon was black.

6. Mr. Blaylock refused to discuss the case any further unless Mr. Jimenez took and passed a polygraph test.

STATE OF FLORIDA)

COUNTY OF SARASOTA)

AFFIDAVIT OF ROSA GREENBAUM

I, ROSA GREENBAUM, having been duly sworn or affirmed, do hereby depose and say:

1. My name is Rosa Greenbaum. I am a licensed private investigator, and I currently reside in Sarasota, Florida.
2. On or about December 7, 2011, I spoke by telephone with Anastasia Heeger, an attorney representing Ricardo Jimenez, about locating Sharon Ramroop, a potential witness in this action. I was advised that Ms. Ramroop was believed to have relocated to Florida from the Bronx, New York.
3. In December 2011 and January 2012, I researched Ms. Ramroop's whereabouts and learned that she owned a property in Orlando, Florida.

4. On January 5, 2012, I visited that property at 928 Pebble Creek Circle in Orlando, Florida. A woman with dark hair who appeared to be in her early thirties answered the door. She said that Sharon Ramroop did not reside at the home and that she did not have a phone number for her, but could pass my information on to Sharon's mother.
5. Later that day, I attempted to contact Ms. Ramroop at what I believed to be the home of her mother, Jaipattie Bhimsen, located at 12201 Medan Street in Orlando, Florida. A woman came to the door and identified herself as Sharon's mother, Jai. She stated that Sharon no longer resided in Orlando and had moved to London about a year earlier. I left my business card and asked Ms. Bhimsen to have Ms. Ramroop contact me.
6. On January 7, 2012, a woman identifying herself as Sharon Ramroop called me from a number originating in the United Kingdom. Ms. Ramroop said she had gotten my number from her mother.
7. Ms. Ramroop stated that she did not know anyone by the name of Manuel Jimenez, or Ricky Jimenez.
8. Ms. Ramroop recalled being "pulled aside" and questioned by the police about the Whitestone shooting in 1989, and being shown photos. She did not recall selecting any photos.
9. Ms. Ramroop said she knew Esco Blaylock and that they had gone to school together, but repeatedly stated that they were not close friends. She also said several times that Mr. Blaylock was "slow." Ms. Ramroop said that she knew that the police had questioned her about the Whitestone shooting because of information given to them by Mr. Blaylock.
10. Ms. Ramroop said that she did not really wish to be involved in this case and refused to meet with someone in order to sign an affidavit attesting to items (7), (8) and (9) above. She did say I could call her back at a later date to discuss the matter further.
11. After approximately twenty-five minutes, Ms. Ramroop and I ended our conversation.

12. On January 22, 2012, I called Ms. Ramroop back at the number she had called me from on January 7, 2012.
13. Ms. Ramroop restated what she had said in the January 7, 2012 conversation, and again said she did not want to be involved. Ms. Ramroop said several times that she did not believe that she had any useful information since she was not a witness to the shooting. Ms. Ramroop said she had her own problems and wished to be “exempt” from this case.
14. After approximately thirty minutes, Ms. Ramroop and I ended our conversation.
15. On May 1, 2012, I returned to Ms. Bhimsen’s home in Orlando and spoke with Ms. Bhimsen and her husband.
16. Ms. Bhimsen confirmed that in July 1989, she resided in the Bronx, New York, and worked at First Federal Bank.
17. Ms. Bhimsen said she recalled learning from the news about the shooting [on July 3, 1989] at the Whitestone movie theater, but that she had no recollection of being directly involved in the investigation of that incident.
18. I showed a copy of a police report, DD5 #33, dated July 10, 1989 to Ms. Bhimsen. She said that she did not recall speaking with the police on that date and that she did not tell police that Ms. Ramroop was dating someone named “Anthony.”
19. Ms. Bhimsen recalled speaking to the police in mid-1989 about a missing persons report that she had filed on Ms. Ramroop. She said it was a brief conversation, and the police told her that they did not usually spend much time searching for missing teenagers.
20. Ms. Bhimsen said that, to her knowledge, Ms. Ramroop was not dating someone named “Anthony” at that time, nor was she dating anyone “Spanish.”
21. Ms. Bhimsen also said that she did not believe that Ms. Ramroop was interviewed in her presence about the shooting.

22. I showed Ms. Bhimsen a photograph of Ricardo Jimenez as he appeared in 1989. Ms. Bhimsen said she did not know that individual.

THE PEOPLE OF THE STATE OF NEW YORK,

Respondent,

AFFIRMATION OF
RICHARD M. GREENBERG

-against-

RICARDO JIMENEZ,

Ind. No. 3825/06

Defendant.

-----X

RICHARD M. GREENBERG, ESQ., an attorney duly admitted to practice in the State of New York, hereby affirms under the penalty of perjury that the following statements are true:

1. I am the attorney in charge at the Office of the Appellate Defender (“OAD”). I have been an attorney for 36 years, and the attorney in charge at OAD for 17 years.
2. On October 26, 2012, I traveled to the home of Sharon Ramroop, in East Dulwich, London.
3. I arrived at the home around 2:00 p.m. and knocked on the door. A man, approximately 40 years old, answered the door. I identified myself as an attorney from New York who was investigating a murder from 1989, and that I wished to speak with Sharon Ramroop. I told the man that another attorney from my office had spoken several times by telephone with Ms. Ramroop and that I wanted to follow up on those conversations. He confirmed that Ms. Ramroop lived at that address, but said that she was not home at the time. I gave the man my business card and asked him to ask her to call me when she got home.
4. As we were speaking, a woman in her late 30s and appearing to be of Indian heritage and noticeably pregnant, came to the door, identified herself as Sharon Ramroop, and invited

me into the house. The man who answered the door then introduced himself as Hafiz Gaddu, Ms. Ramroop's husband.

5. I spoke with Ms. Ramroop and Mr. Gaddu for about 45 minutes. I showed Ms. Ramroop Mr. Jimenez's mug shot from February 10, 1989. Ms. Ramroop said she did not know, nor did she ever know, the person in the photograph. She also said that she had never identified any picture of a person named "Leon" or "Ricky." I wrote out a statement to this effect under the photo, based on what she told me. At her request, I also wrote that she wished to have nothing further to do with this matter. Ms. Ramroop read the statement, and I read it out loud to her and asked her if it was true. She said it was true and signed it. I then signed my name as a witness. See Exhibit 1.
6. I also showed Ms. Ramroop DD5 #35, in which Ms. Ramroop was reported to have selected a photograph of Ricardo Jimenez as the "person being sought." Ms. Ramroop again stated that she had no recollection of making the statement or identifying any photographs. Again, I wrote out a statement to this effect, based on what she told me, and Ms. Ramroop signed the statement in my presence. See Exhibit 2.

and just stood there and watched the other guy walk away. as soon as the other guy left, he walked out the front entrance.

I got a soda from George, the manager. Then I saw # 2 guy walk back in the lobby wearing a black jacket. # 2 then got on the popcorn line, ordered some soda and stuff. (at this time E█ is standing by the counter) After # 2 got his stuff, E█ saw him walk down the aisle to the last theater. (E█ was now in the middle of the corridor) E█ then saw # 2 enter the last theater. Esco then went to play another video game.

Ten or fifteen minutes later, an usher told me what had happened. The manager called E█ over the intercom system and told him to shut the machines off.

E█ says that he was never in the theater when occurred, but had heard what happened. He did witness the argument by the concession stand.

P 2		Subject: INTERVIEW OF WITNESS: ROBERT KANE M/W/18 New York POE. Crossed out																31 PERP 2	
P 2		On July 9, 1989, at approximately 1530 hrs. I interviewed Mr. Kane in this office. He said that on the date and time, and the location of this incident, he was at the concession stand waiting to be served. In front of him, and waiting in line, there was a M/B/ whom he described as thin, appearing to be 19-20 years of age, about 6' tall, short cropped hair (black) with a thin blond streak of hair running along the side of his head. This male had numerous rings on his fingers, a large medallion approximately 6 inches in diameter suspended from a chain around his neck, and was wearing a white tank-top, long white baggy pants with grey stripes going down.																32 PERP 1

Mr. Kane then returned to the theater. Three minutes into the opening credits, he heard an altercation erupt. He said some people got up; he heard three shots go off, and he then hit the deck.

After the shooting, Mr. Kane went over and looked at the victim.

Mr. Kane recalled seeing the victim at the concession stand and it appeared to him that the victim was in the company of two other Black males, one of whom wore glasses.

He also recalls seeing the perpetrator at the front entrance of the building in the company of a F/F, lighter than the perpetrator, with long curly hair, (bushy) slightly shorter than the perpetrator.

Mr. Kane is to meet with the undersigned, 7-10-89, and to respond to CATCH. to view photos.

Case active.
